**K.28.45

The chronicle of the kings of England, from the reign of William the Conqueror, (first king of England) down to His present Majesty, George the Third: containing a true history of their lives, and the character which they severally sustained, whether in church or state, in the field, or in private life. [Edited] By the late Dr. Franklin. 3d American edition.

Litchfield: Re-printed by Thomas Collier, 1791. 99 pp. 16 cm., in 6s.

Erroneously attributed to Franklin; he probably edited it, making a few minor changes in the text, inserting an episode between Cromwell and the Devil in the wood, bringing the sketch of George II. up to his death, and adding the sketch of George III.
